Part-Time / Drop-In Care

- **Hourly Rate: \$20/hour** (including snack and a meal).
- How to calculate monthly tuition: Hourly Rate × Preferred Hours per Week × 52 weeks ÷ 12 months. Example: M/W/F (3 days), 4 hours/day (8:30am–12:30pm) = $(\$24 \times 4 \times 3 \times 52) / 12 = \text{\$1,248/month}$.
- Weekly schedule is fixed once chosen and cannot be changed mid-month. Part-time and drop-in care are only available after discussion with the Director, to support the child's successful development.
